Welcome

Senior Gala Kigali 2026 is the celebration evening for S6 (REB) and L5 (TVET) finalists, their families, and the wider community. This manual walks you through registering, paying, getting your e-ticket, and entering on the night. Everything happens at **seniorgalakigali.sadcorporation.com**.

Who can attend

The gala is open to **finalist students** (S6 REB / L5 TVET) **and to the general public** — parents, alumni, friends, partners and guests. Each group buys through a different ticket tier.

Ticket tiers

Tier	Who it's for	Notes
Student (Standard)	S6 / L5 finalists	Single seat. Get your code from your school's gala agent.
Student (Premium)	S6 / L5 finalists	Better placement, same flow as standard.
VIP Table	Groups / Parents / Guests	Sold per table (e.g. table of 8 or 10). One code per seat.
General Public	Friends, family, alumni	No school required. Codes issued by S.A.D Corporation directly.

Prices vary by tier and are shown live on the home page. A small **1,500 RWF booking fee** is paid in cash to the agent when you collect your code — it is separate from the ticket price.

Before you start

- A registration code from a gala agent (students) or from S.A.D Corporation (general public).
- Your full name, phone, email, and — for students — school and level/section.
- **1,500 RWF** booking fee, paid in cash to the agent.
- The **ticket price** for your chosen tier, payable by Mobile Money or cash.

How it works — in 4 steps

1

Get your code

Students: visit your school's gala agent and pay the 1,500 RWF booking fee in cash. They will issue a unique code (e.g. **APR-1234**) prefixed with your school's code. General public: request a code directly from S.A.D Corporation — it will start with **SG-**.

2

Register online

Open **seniorgalakigali.sadcorporation.com/register**, type your code, and fill in your details. **Choose your ticket tier** on the same page (Student, VIP table, or General). Each code is used once — register carefully.

3

Pay the ticket

Go to **seniorgalakigali.sadcorporation.com/pay**, enter your code, and follow the Mobile Money instructions for the tier price you owe. You can pay in **full or in parts**. Upload the MoMo screenshot so an agent can confirm the payment. Cash payments are recorded by the agent on your behalf.

4

Get your e-ticket & enter

Once your balance reaches zero, your e-ticket unlocks at **seniorgalakigali.sadcorporation.com/ticket**. Download the PDF (it contains your QR code). At the door, staff scan the QR — and you're in. Re-entry is allowed once if you step out briefly.

VIP tables: each seat at the table still needs its own code and registration. If you book a table of 8, you'll receive 8 codes — share one per guest.

Frequently asked questions

Can I share my code with a friend?

No. Each code is single-use and tied to one person. Sharing it loses your spot.

I'm not a student — can I still come?

Yes. Pick a **General Public** code (prefix **SG-**) from S.A.D Corporation. Your ticket works exactly the same; the only difference is no school is recorded.

I forgot my code — what now?

Contact the agent who registered you (or S.A.D Corporation for general codes). They can look it up by your name or phone number.

How much does a ticket cost?

It depends on the tier you pick. The current prices are shown live on the home page and on the registration page. The 1,500 RWF booking fee is always separate.

Can I pay the ticket in parts?

Yes. Any amount up to your remaining balance works. The system tracks partial payments and shows what's left to pay.

I lost the MoMo SMS — am I still paid?

Yes, as long as the money was sent. Open seniorgalakigali.sadcorporation.com/pay, enter your code, and upload the screenshot. An admin will verify it.

My payment was declined — what should I do?

Try again. If you've already been declined once, the next attempt requires a screenshot.

How do VIP tables work?

VIP tickets are sold per table (typically 8–10 seats). When you book, you receive one code per seat. Each guest registers their own code and gets their own e-ticket.

Where do I find my ticket?

Open seniorgalakigali.sadcorporation.com/ticket, enter your code, and download the PDF. Save it offline before the event.

What if I leave the venue during the gala?

Your exit is scanned. You may re-enter once — both times are recorded by the system.

Who do I contact for help?

Use the seniorgalakigali.sadcorporation.com/contact form, or speak to any S.A.D Corporation staff member.

Important rules

- Tickets are **non-refundable** once paid.
- **One person, one code, one entry.** Sharing a QR is not allowed.

- Respect the dress code and venue rules communicated by your school or S.A.D Corporation.
- S.A.D Corporation reserves the right to deny entry if a ticket is invalid or already used.
- By attending, you consent to event photography and video for promotional use.

Need help? Visit **seniorgalakigali.sadcorporation.com/contact** or speak to any S.A.D Corporation staff member. We're here to make sure your gala night is unforgettable.
